PROFESSIONAL SUMMARY

Aspiring Computer Science Engineer specialising in software development, algorithms, and Python and JavaScript, with a focus on continuous learning and practical application.

EDUCATION

Bachelor of Technology (Computer Science)	2024 - 2028
Newton School of Technology, Rishihood University	Grade: 9.348/10.0
Intermediate (Class XII)	2023 - 2024
KCM World School, Palwal, Haryana	Grade: 84.6%
Matriculation (Class X)	2021 - 2022
KCM World School, Palwal, Haryana	Grade: 96.8%

PROJECTS

Portfolio, ([Github](#)) ([Demo](#)) February 2025

- **Tech Stacks:** JavaScript, HTML, CSS
- **Description:** Developed a personal portfolio website to showcase projects, skills, and achievements, providing a professional online presence.
- **Features:** The portfolio website features an interactive, responsive design showcasing projects, skills, and achievements with detailed descriptions and demo links. It includes a contact form, smooth animations, and dynamic JavaScript elements for an engaging user experience.

Weather Today, ([Github](#)) ([Demo](#)) February 2025

- **Tech Stacks:** Python, React, HTML, CSS, API Integration
- **Description:** Developed a weather forecasting application that provides real-time weather updates and future predictions using external weather APIs.
- **Features:** The weather app provides real-time updates, city search, and geolocation, with a 7-day forecast and a responsive React UI.

ToDo List, ([Github](#)) ([Demo](#)) February 2025

- **Tech Stacks:** JavaScript, React, HTML, CSS, Local Storage
- **Description:** Built a simple to-do application that allows users to add, edit, delete, and mark tasks as complete, with data saved locally for persistent use.
- **Features:** The to-do app allows users to add, edit, delete, and mark tasks as complete, with data stored in Local Storage. It features a simple, responsive interface using JavaScript and DOM manipulation for real-time updates.

SKILLS

Computer Languages: Python, JavaScript, CSS, HTML

Soft Skills: Communication Skills, Critical Thinking, Decision-making, Time management, Public speaking, Presentation Skills
